This rule will only apply to teams in groups where one group has fewer competitors than the other two groups.

TEAMS / TEAM LIST & TEAM SHEET

Sub-Junior & Junior (Number of Players):

Under 9's can have a maximum of 14 players, with a maximum of 9 players on the field at any time, or less as agreed to between Coaches.

All Teams from Under 10's and over, can have a maximum of 17 players, with 11 players on the field at any one time.

Where there is a grouping of 4 teams or more with multiple groupings a 1st and 2nd Semi Final process of elimination matches will determine the finals match.

Where there is a grouping of 3 teams or more with multiple groupings a single Semi Final process of elimination matches will determine the finals match.

A player can only play for one team and one age group throughout the Tournament, including Semi Finals and Final matches.

All players must wear the designated number given to him / her as per the tournament team sheet for the duration of the tournament.

All players are required to wear the same numbered top during all matches.

All Teams must provide the Tournament Co-ordinator with a Team List prior to the commencement of the Competition, one registration form per team for all matches (refer to attached copy).

Clubs may only enter teams into the competition provided that the said team participated in the FFV home and away fixture for this season.

Clubs can invite 3 Guest players to participate in the Tournament; however it is the responsibility of each club to provide proof of age for Guest players. These players must be registered with the FFV for the current season in order to allow them to play during the carnival.

In the event that a Club has more than one team in an age group and those teams play each other it is the responsibility of that Club to supply an alternative playing strip for one of those teams. It is recommended that each team carry with them a set of coloured training bibs.

On the completion of each match each team must leave the ground immediately so to allow the following team's access to the ground.

It is the responsibility of each team to be ready and on the playing pitch at the designated time. Failing to do so may result in the referee shortening the match so to keep all games on schedule.

All clubs must provide the following proof of their player's age upon request by the tournament co-ordinator:

FFV Endorsed Team List
Team List endorsed by the Club Secretary
